KBOCC dedicates entrance to KBIC Ogichidaag

The main entrance of Keweenaw Bay Ojibwa Community College’s (KBOCC) Wabanung Campus is dedicated to Keweenaw Bay Indian Community (KBIC) Ogichidaag. To the right, preceded by an eagle staff, are full-size flags leading into the heart of the building. Lining the wall and displayed proudly in 3’ x 5’ frames representing the United States, Army, Marine Corps, Navy, Air Force, Coast Guard, Prisoner of War, KBIC, and KBOCC. To the left covering the wall are 8” x 10” photographs of numerous KBIC members who have served or are currently serving in the military. Among these images, the wall showcases an impressive mural that measures approximately 6’ x 8’ that was ‘inspired by those who risked all’.

Honoring past, present, and future veterans have always been a priority for KBOCC but the idea of dedicating the hallway originated from KBIC Veteran Joe Eckerberg. With his guidance, it was brought to life with illustrations by Casey E. Maki, KBIC member and KBOCC Student. The collection of images is far from complete. However, individuals are encouraged to submit pictures to the KBOCC Library. This is a living wall that will continuously grow as the community nourishes it by submitting photos and stories.

For more information you can contact Lori Ann Sherman, KBOCC President, through e-mail president@kbocc.edu, or by calling 906-524-8414.

HARVEST FEAST

Indigenous Peoples have traditions of thankfulness (or thanksgiving) for surviving winter and for receiving crops and game for their hard work. Native Americans give thanks first to every animal whose life they take in order to have food and clothing. They give thanks to the Great Spirit for their crops from seeding to harvest. The Native Americans give thanks for enough crops to last through later months and allow for survival of the winter. These Feast Days have occurred for thousands of years and back 12,000 to 48,000 or more years ago in America.

Today KBIC celebrates our harvest with the Community at an Annual Harvest Feast usually held mid-October. This year’s Annual Harvest Feast was held Saturday, November 3, 2018, at the former Big Bucks Bingo Hall in Baraga, Michigan. The event was to start at 3:00 p.m., but it ran on “Indian Time” starting closed 4:00 p.m. instead. However, the wait was certainly worth it. Approximately 100 Community members participated, visiting with and enjoying each other’s company. They shared a delicious traditional meal. Four Thunder Drum was present to offer an honor song.

As an elder, I remember years back to how grand an event the Harvest Feast was. Our people traveled from all over to gather together. They brought their favorite recipes on how to cook fish, pig, buffalo, venison, rice, lug, fry bread, many vegetable dishes, and desserts. The lines 50-years-ago were sometimes a two-hour wait just to enter the dining hall.

This year’s event was sponsored by the Keweenaw Bay Indian Community and hosted by the Powwow Committee. Families assisted by sharing their favorite dishes.

Tribal Council Secretary's Report for the Month of October 2018

ANN! We honor the greatness in you. Remember: “Indian Country Counts”
“Our People, Our Nations, Our Future”

We continue to recognize the richness of Native American contributions, accomplishments, and sacrifices to the political, cultural, and economic life of Michigan and the United States.

The fall colors were beautiful, and winter is upon us once again. We give thanks for a wonderful Thanksgiving, and we wish everyone a blessed Happy Christmas!

Mino-Bimaadizin “Live Well”
Respectfully, Susan J. LaFernier

I am including the motions that were not in the prior reports (August 21, 24, and 30, 2018). During September, the Tribal Council held one Regular Council meeting on Saturday, September 8, 2018, and five Special/Finance meetings on September 17, 24, 25, 26, and 27, 2018. This report will be published in the KBIC “Wiikwedong Passase Ojibwe” newsletter, and the approved minutes may also be found on the Keweenaw Bay Indian Community Website.

I attended the KBIC Halfway House Ground Breaking Ceremony on September 6, 2018. Thanks to everyone for their work on this very much needed facility. It has been a busy September as I have been helping with the re-opening of the Marquette Ojibwa Express Convenience Gas Station. The station closed on August 15th and reopened on September 13th. Many of the applications and licenses needed to be changed with the new Aankikoosin, Inc. Board members. It is beautiful inside, and I encourage everyone to stop, get gas, and visit.

On October 2, 2018, the annual United Methodist Women’s meeting was hosted by our historic Zeba United Methodist Church at the Zeba Community Center. Over 100 women from across the Upper Peninsula attended and were impressed with the Hall. As hosts, we received many donations of diapers, infants clothing, and hats and mittens which were donated to our foster families and our Tribal Social Services Department.

Thank you to everyone for the wonderful Flag Raising Ceremony and Veterans Day Luncheon held on Sunday, November 11, 2018, at the Bingo Hall. Over 30 veterans and friends attended, and $287.00 was raised for the “Toys for Tots” program.

Remember to vote in the upcoming General Election on December 15, 2018. “Your VOTE is an important decision and makes a difference”

Respectfully Submitted,
Susan J. LaFernier

August 21, 2018 Special Council Meeting (unapproved):
• The Council met with the Marquette Ojibwa Express Convenience Store Manager Theresa Freeman regarding the re-opening and a “Plan to Proceed” for the station in closed session for four hours.

August 23, 2018 Special Council Meeting (unapproved):
• Approved to offer the Newsletter Editor to Laurie Denomie at the same rate for three years. If she does not accept, bids will be requested.
• Motion to approve the Grand River Community Development bid of $817,110.00 for the KBIC Halfway House project (they are also the consultants). There were five bids.
• Approved to table the motion for more discussion on the financials.
• Approved the motion for the KBIC Halfway House bid.

August 30, 2018 Special Council Meeting (unapproved):
• Approved a request from the Public Works Department to bid up to $60,000.00 plus the 13% auction fee for the purchase of a used plow truck at Wayland, MI, by the BIA Roads Maintenance Program.
• Approved the Memorandum of Agreement with I.H.S. for the Zeba Water Storage (Tank) Replacement project.
• Approved a business license renewal with Gerald Jon-dreau “Traditional Treasures” local and traditional foods.
• Approved the U.S.G.S. Joint Funding Agreement for the continued operation and maintenance of the streamgaging station on the Silver River near L’Anse, Michigan, October 1, 2018-September 30, 2019.
• Approved a donation of $300.00 to Cecelia Chosa for ceremonial travel (exceeded the allowed amount).
• Approved the Legal Services Agreement with Montana & Associates, LLC to work with the THPO Office and Tribal Attorney’s Office on drafting and finalizing a Resolution, Ordinances, and Policies and Procedures by June 21, 2020, relating to the settlement of negotiations of a natural gas pipeline to be located on the Community’s ceded areas.

VETERAN DAY CEREMONY HELD AT KEWEEWAH BAY INDIAN COMMUNITY

The KBIC Tribal Veterans Wiikwedong Ogichidaa Society Honor Guard (pictured above with two of their young helpers) participated in the Flag Raising Ceremony on Veteran’s Day, November 11, 2018. The Flag Raising Ceremony is held at the Keweenaw Bay Indian Community Tribal Center grounds. Four Thunder Drum assisted the KBIC Tribal Veterans Wiikwedong Ogichidaa Society Honor Guard as they displayed the colors with much pride. The Keweenaw Bay Indian Community sponsored the event and held a lunch afterward to say thank you to all Veterans. Luncheon was organized by KBIC Tribal Members: Kim Klopstein, Debbie Picciano, and Tina Owens. Photo compliments of Tina Owens.

KEWEENAW BAY INDIAN COMMUNITY YOUTH HALLOWEEN CELEBRATIONS

Keweenaw Bay Indian Community Youth Programs held their annual Youth Halloween Parties on Saturday, October 27, 2018, at the Niwin Akeea Facility in Baraga, Michigan, and on Sunday, October 28, 2018, at the Marquette Community Center in Harvey, Michigan. Participants took part in a number of games for great prizes, took a horse-drawn wagon ride, and enjoyed pizza, veggie trays, fruit trays, and desserts. The events were well attended, and all children left the events with a number of prizes and a huge bag of candy. A good time was had by all.

World AIDS Day

In recognition of World AIDS Day on December 1, KBIC Health System encourages everyone to get tested for HIV, the virus that causes AIDS. In the United States, about one in seven people who have HIV don’t know it.

The only way to know for sure whether or not you have HIV is to get tested. You could have HIV and still feel healthy. Everyone ages 15 to 65 needs to get tested at least once. Some people may need to get tested more often.

To find an HIV testing location near you, text your ZIP code to KNOWIT (566548).

HIV is passed from one person to another by:

- Having unprotected sex with a person who has HIV
- Sharing needles with someone who has HIV
- Breastfeeding, pregnancy, or childbirth if the mother has HIV
- Getting a transfusion of blood that’s infected with HIV (very rare in the United States)

Around the world, about 37 million people are living with HIV. In the United States, about 38,500 people get infected with HIV every year. World AIDS Day is a global initiative to raise awareness, fight prejudice, and improve education about HIV and AIDS.

Upcoming Events:

- Walk-in Flu Shot Clinic, Tuesdays in Dec. 8:30 am - 4:30 pm
- Car Seat Clinic, by appointment
- Parent Circle, December 11th, 5:30 pm, please register
- Diabetic Foot Clinic, Dec. 5th and 6th, by appointment
- Diabetic Talking Circle, December 19th, 11 am - 1 pm
- Diabetes Ride & Learn, December 9th, registration required

How Drug Abuse Effects Families

“People who use drugs don’t see the damage and hurt they’re causing others.” The drugs cause a fog to the abuser, and they are either unaware of or are unaware and don’t care about the effects that their abuse has on the people around them.

When you use drugs:

- Others can no longer count on you to do what you say you’re going to do
- You may become rebellious and defiant with parents, guardians, and siblings
- You may have mood swings, paranoia, and irrational anger
- You may verbally and physically assault others
- You may start stealing things: money, credit cards, and other valuable items
- You no longer spend time with family members and do the things you used to do together
- You put stress on your parents or guardians: they fear a child on drugs will hurt themselves, someone else, or even die.

One drug in particular is becoming an epidemic on reservations. According to congressional testimony of William P. Ragsdale, Director of the Bureau of Indian Affairs, methamphetamine use “is destroying lives in Indian Country.” The drug found its way onto Indian reservations, where today, more Native Americans, proportionately, are addicted to meth than the rest of the U.S. population. This issue is definitely prevalent on our reservation, the Keweenaw Bay Indian Community. This drug is affecting families, especially children. “They don’t get the things they need because their parents or whoever they live with use the little money they have to get the drug.” We have let it take a hold of our loved ones, our families long enough. We need to come together, address the issue and find a solution before it continues to spread.

• To support the service expansion, we’ve proudly created the following positions available to the Community. As we continue to expand services in the future, more jobs for the community will follow:
  • Posted currently:
    • Two full-time Medical Receptionist positions
    • One full-time Medical Office Supervisor position
    • One full-time Telepsychiatry Nurse position
  • To support expansion, we are implementing the following changes:
    • The amount time to fill a script at the pharmacy will take slightly longer. We are slowing the amount of processing time, at least 10 to 15 minutes, in order to prioritize patient safety and assure that each patient receives their medication without error.

When a prescription is provided to the pharmacy, there are several steps that must be completed before the medication can be dispensed safely. For example, the prescription must be verified for completeness of information before dispensing. Sometimes the missing information must be tracked down from the medical provider involved, and this can take time. Additionally, the pharmacist applies their knowledge to analyze the medication for drug-drug interactions, appropriate-ness of dose, frequency, directions, to prevent medication errors.

Please know that we will always do our best to get your medication filled in a timely fashion and our wait times are typically far shorter than what you would experience at other pharmacies. Although we do not want you to wait longer than necessary, we feel time should be taken to assure your medication is safe and that nothing is missed.

• When scheduling appointments, our staff will be asking you a reason for the visit. This is so we can schedule an appropriate amount of time to address your health concerns. Your provider relies on the stated reason for visit to structure the visit, prioritize concerns to address immediately, and schedule more time to properly address other concerns with additional appointments.

• We are excited to build on our relationship with UP Health System at Portage. An overwhelming number of our patients have shared positive stories regarding the quality of care with their UP Health System at Portage experience and have reported high satisfaction. Additionally, the UP Health System at Portage grants the Tribe Medicare-Like-Rates as full payment for services rendered. This adds up to a significant amount of savings for the PRC program, which helps us to cover more medical care for Tribal Members and conserve PRC funds so they do not run out.

The table below shows a few examples of the significant differences in pricing between UP Health System at Portage and BCMH.

| SERVICE          | UP HEALTH SYS- | BCMH (Average Cost for PRC) |
|------------------| TEM PORTAGE    |                             |
| ER Services      | $142.41        | $530.06                     |
| Lab Services     | $56.10         | $92.60                      |
| Walk-in Clinic   | $55.00         | $126.85                     |
| Diagnostic X-ray | $16.94         | $57.21                      |

As you can see from the table above, the costs from the UP Health System at Portage are significantly lower than BCMH; for example, with ER services they are 73% lower than BCMH. By utilizing UP Health System at Portage, not only can Tribal Members help to conserve a significant amount of dollars to fund more care for other Tribal Members, we will be doing it with higher quality and better patient experience. By spending more than necessary at BCMH, we actually reduce the buying power of our PRC dollars and risk running out of funds to serve Tribal Members.

It is more urgent than ever that we conserve our PRC dollars so that we can better serve the Tribal membership and do not run out of funds. We will try to realize the cost savings for the Tribe by directing care to UP Health System at Portage as much as possible. However, please note that we will still continue to utilize BCMH on a case-by-case basis for emergent care and where extenuating circumstances (e.g. patient cannot travel due to medical condition) are clear and present.

By working together, and making wise spending decisions, we can assure that we make best use of available PRC dollars to fund care for our Tribal membership.

• Please take notice of your BCMH bills. We have learned of examples where patients have been billed first without billing insurance or BCMH has billed BCBS and the amount due is much higher than what the BCBS Explanation of Benefits indicates as member responsibility. If you notice these types of discrepancies, I would appreciate it if you can share these examples with me.

• Please do not hesitate to reach out to me directly if you have questions at (906) 353-4553. I enjoy learning from your perspective and particularly value listening to concerns directly.
