Program Overview

The KBIC-HAF program is created through the American Rescue Plan Act of 2021 to alleviate financial hardships associated with the Co-Vid 19 national health crisis by providing funding to create program(s) to prevent homeowner displacement. Issues may include one or more of the following: mortgage delinquencies, defaults, foreclosures, loss of utilities or home energy services, homeowner repairs needed to help prevent the spread of Co-Vid 19, and other qualified expenses related to mortgagees and potential homeownership displacements of homeowners experiencing financial hardship after January 21, 2020.

Program Goal

To provide financial assistance to eligible KBIC Tribal Homeowners to reduce and/or eliminate past due payments and other hardships associated with homeownership.

Funding

The KBIC-HAF program will utilize all its funding, minus the 10% administrative costs, towards the HAF program.

Targeted Population

Not less than 60% of the total funding will be used for qualified expenses to assist eligible tribal homeowners having incomes equal to or less than 100% of the area median or national median.
