KBIC TRIBAL VETERANS WIIKWEDONG OGICHIDAA SOCIETY
HONOR GUARD PROUDLY ACCEPTS THE GIFT OF TWO SCOOTERS

The KBIC Tribal Veterans Wiiwedong Ogichidaa Society Honor Guard proudly displayed two new scooters they received on Saturday, April 13, 2019. The Veterans’ scooters were made possible through the Wounded Warriors Family Support Network wwfs.org.

Rodney Loonsfoot, Tribal Council/Veteran Service Representative, began the process last year through application. The Tribe had to have an accredited service officer who is recognized by the Veterans Administration. KBIC met all the eligibility requirements and was awarded the scooters to assist Tribal Veterans with mobilization.

The KBIC Tribal Veterans Wiiwedong Ogichidaa Society Honor Guard was awarded a 2018 Ford Explorer in December of 2017. They have put the vehicle to very good use by assisting Tribal Veterans for appointments, advocacy, and other needs. The vehicle was also made possible through the Wounded Warriors Family Support Network wwfs.org.

The Veterans hold a monthly meeting on the third Wednesday of every month at the Veterans’ building. The Wiiwedong Ogichidaa Society is recruiting Tribal Veterans. There is a need for volunteers and drivers. For more information contact Rodney Loonsfoot, KBIC Veteran Service Representative at (906) 353-VETS or 906-201-4448 or e-mail veteran@kbic-nsn.gov.

Bringing Easter Joy in our Schools

KBIC Office of Child Support Services Outreach visited the Baraga and L’Anse schools on April 18, 2019, along with the Easter Bunny. They brought gifts and candy for the children in K-2nd grades. All of the children were very excited to see the Easter Bunny!

The KBIC Office of Child Support Office Outreach works in the community to bring a positive perception for Child Support. They are involved in and sponsor many events in Baraga County.

APRIL 6, 2018 TRIBAL COUNCIL MEETING

The Regular Quarterly Tribal Council Meeting was held on Saturday, April 6, 2019, at the Big Bucks Bingo Hall in Baraga, Michigan. President Warren Swartz, Jr., presided over the meeting with Gary F. Loonsfoot, Jr., Susan J. LaFernier, Tami Minton, Doreen Blaker, Robert R.D. Curtis, Jr., Dale Goodreau, Randall Haataja, Kim Klopfstein, Michael F. LaFernier, Sr., Rodney Loonsfoot, and Elizabeth D. Mayo present.

President Swartz shared numerous Thank You and For Your Information items addressed to Council.

President Warren “Chris” Swartz, Jr., gave the President’s Report (page three), Secretary Susan J. LaFernier gave the Secretary’s Report (page four), and CEO Sarah Smith gave the CEO Report (page two). Council approved the Department Head Reports for February 2019, and Council Meeting Minutes for March 14, March 21, March 22, March 26, and March 28, 2019.

Under recognized scheduled delegation/individu- als: Marquette County Board of Directors’ Vice Chairman Joseph Derocha addressed Council by offering deep appreciation from Marquette County on the 40-million dollar Casino II Project.

Another matter, Mr. Derocha informed Council that the Marquette County Board of Directors had received a request from the Tribe to put some property into trust in Marquette County near Snowfield Road and a housing project. The Board wasn’t sure of the details and were looking at turning it down. Mr. Derocha indicated he made a motion to put it on hold to allow KBIC’s Real Estate Officer to bring forward further information on the property.

Mr. Derocha introduced Derek Parker, Owner of a Medical Marijuana Facility in Humboldt, Michigan. Mr. Parker currently owns the largest facility in the Upper Peninsula. President Warren “Chris” Swartz, Jr. and Vice President Gary Loonsfoot, Jr. had toured his facility last week. President Swartz said, “It is a great facility, and like Joe said, he has the biggest marijuana operation in the Upper Peninsula right now. Gary and I decided to visit the facility, and it is very impressive. We wanted to see if there was an opportunity between KBIC and Derek Parker in moving forward with the Medical Marijuana operation. We are in the preliminary discussions, and I want to engage our Cannabis Committee with this venture. It is an opportunity to provide a revenue stream to the Keweenaw Bay Indian Community similar to what the State of Michigan is doing. This industry is going to be bigger than Indian Gaming. It is on the rise and the tribe can only grow bigger as it grows. Valerie Wright, President of this new revenue stream being afforded here in Michigan. We are very appreciative of Joseph Derocha and Derek Parker in coming forward and showing us the facility, and starting the initial discussions in this possible venture.”

Joseph Derocha said, “This is an up and coming revenue stream, and it is no secret that this has been legalized across Michigan. It is legislation; it’s moving forward, and it is the newest and greatest gold rush.” Derek Parker indicated, “I was the first person to put in an application with the State for his Medical Marijuana Industry License. I currently employ nine full-time employees and another six part-time employees. I am very interested and would be honored in working with the Keweenaw Bay Indian Community.”

Treasurer Doreen Blaker presented the April 2019 donations. Motion by Rodney Loonsfoot to approve April 2019 donations as: $500.00 for Camp New Day U.P.; $100.00 for Freshwater Future; $500.00 for American Legion Foucault—Funke Post 444 (flags, markers, wreaths); $100.00 for Mike Payment for Congress—North Carolina; $300.00 each for Joshua Eagle’s two daughters AAU basketball fees/expenses — for a total of $1,800.00, supported by Kim Klopfstein. Ten supported (G. Loonsfoot, S. LaFernier, Blaker, Curtis, Goodreau, Hastaja, Klopfstein, M. LaFernier, R. Loonsfoot), 0 opposed, 1 abstained (Mary), 0 absent, motion carried.

Council adjourned with no further business on the agenda.

CEOs Quarterly Report for the Months of January, February, and March 2019

1. MISSION STATEMENT: To provide exceptional services for our membership; a safe, positive work environment for employees; and sustained economic prosperity while protecting our sovereignty and preserving our culture and natural resources for future generations.

VISION STATEMENT: A Tribe that preserves the Anishinaabe culture, advances economic diversity, provides opportunities to enhance independence, and promotes the health and well-being of our Community.

2. Updates: Over the last quarter, I have updated the Personnel Policy to reflect all the changes the Tribal Council had approved through a series of Council work sessions that occurred throughout 2018 and up to February 5, 2019. In addition, the Youth Policy was also updated, and the Appeal Policy was worked on with the Board’s officer. The essential employee list was compiled for those required to work on Saturdays. The Whishki Maal (New Beginning) or Halfway House Project has been moving forward with a completion date still in June. As of yesterday, the building has all drywall in place, and the countertops have been chosen for the reception area, kitchen, and laundry rooms. A cell phone quote was obtained to provide services for the upcoming two years. Verizon was chosen.

3. Meetings/Conferences: Over the last quarter, there were two department head meetings held. These have been set to occur on the last Tuesday of each month at 1 pm. The goal of these department meetings will be to review the strategic plan, provide departments with updates on policy, give short training and communication, and allow departments to work on short updates. The Whishki Maal (New Beginning) or Halfway House project has been moving forward with a completion date still in June. As of yesterday, the building has all drywall in place, and the countertops have been chosen for the reception area, kitchen, and laundry rooms. A cell phone quote was obtained to provide services for the upcoming two years. Verizon was chosen.

4. Employee Changes: There are no direct reporting changes in the last quarter. The Government currently has 305 employees, with 221 being Native American. There were seven reclassifications completed this past quarter with two not resulting in a grade change, and the result resulting in a change of grade and/or title. There has also been initial work done on new position descriptions, and the revision of current technician position to allow for a Tiered grade for the position to progress with certification/trainings or education. Employee changes within the Government are provided on a weekly basis.

5. Statistical Data/Case Load Information: Personnel actions, budgets (new and modifications), contracts, policy interpretation/draft revisions, and supervision of department was part of my office’s duties over the past quarter.

6. Financial Update: Financial payments from Indian Health Service and the Bureau of Indian Affairs have been received that support our Health, Substance Abuse, Natural Resources, Social Services, the Indian Community Federal Programs, Court, and Police departments. Travel/training for employees continues to be restricted unless it is grant funded.

Respectfully submitted,
Sarah Smith, CEO
The following is a summary of activities that occurred in the Office of the President for the months of January, February, and March 2019.

- I met and discussed the wastewater board with Wendell Dopmier, Baraga Village Manager. He is working on improving the infrastructure here, in Baraga, related to the sewer project. The homes get it. It’s getting a huge job and in need of improvement. We appointed Dale Goodreau to the Board.
- I attended a Voigt Task Force meeting. We continue to monitor treaty activities here in the ceded territory. We are constantly mindful of activities that have a potential harm to the treaty-protected resources. As usual, we declared our fisheries territory and upcoming fisheries season here in the ceded territories of what we now call Michigan. I will coordinate shared resources with Chairman Williams for this season’s Walleye activity.
- We hosted a meeting with our Congressional Representative Jack Bergman and his visitor Congressional Representative representa- tive. Stephenie Murphy from Florida. The purpose of the meeting was for congressional members to meet and discuss issues of common concern. Congressman Bergman visited Congressional Representative Murphy’s district last year. They are part of ACE. ACE is an initiative, which seeks to strengthen relationships and build trust while providing a framework for finding solutions here in the ceded territories of what we now call Michigan. I will coordinate shared resources with Chairman Williams for this season’s Walleye activity.
- I attended a traditional topping off ceremony at our casino in Marquette. The ceremony is part of a long tradition where we celebrate the last steel beam to be erected. It’s highest beam on the project, on top of the port cochere tower. Most who attended signed the steel beam and watched it being placed and welded into place.
- We are beginning our discussions with the local villages about an opportunity to submit an application to the MDEQ to assist with spring cleanup. We discussed opportunities on how to collaborate with them and informed them of our hazardous waste cleanups, pharmaceutical drop-offs, and the operation of our solid waste facility.
- We continue to monitor the wind turbine project. The United States Government filed a lawsuit for Indian tribes that include trust resources often called “natural resources” which appertain to tribes with treaty rights. The Federal Government is the trustee, and Indian tribes and their members are the beneficiaries. That’s a legal relationship/ responsibility that has been ignored for many decades in our country. In addition to the disruption to wildlife habitat and a host of other impacts, the construction of the Summit Lake Wind Project will cause interfering with our treaty rights and other impacts. These include potential impacts to marine navigation, and the simple fact that, in his letter, the government’s position is that the project is inconsistent with the Wilderness Act which governs the Huron Islands National Wildlife Refuge and Wilderness Area. A recent visual impact assessment makes clear that every single one of these wind turbines would be visible from the Huron Islands. Teddy Roosevelt created this National Wildlife Refuge - the third in the Na- tion and the first in the history of the United States. It is the largest and the oldest - it is a National treasure. I was also interviewed by Kaye LaFond regarding the wind farm project from Michigan radio. The interview can be heard on their website.
- I attended a United Tribes meeting in January. We had an opportunity to hear from the new governor of the State of Michigan and the first meeting with the Governor’s office. We discussed in our meeting with the Governor’s office. We discussed in our meeting with the Governor’s office. We are looking for information on behalf of our tribal nation. I was invited and accepted to a consultation on internet gaming in Roscommon Michigan, from the Deputy Legal Counsel Wenona Singel. We plan to inform them about the negative impacts this would have to our gaming market. The issue is exclusivity on gaming here on or near the L’Anse Anishna Fishery. The Governor’s office has acknowledged the inherent right of tribal governments, commercial fishing industries, and tribal treaty rights. The lawsuit names various federal and state officials as defendants, and five tribal nations (Cherokee Nation, Morongo Band of Mission Indians, Navajo Nation, Oneida Nation, and Quinault Indian Nation) also have intervened as defendants. In addition, Amicus Briefs in support of the Tribal nations have been filed by 325 tribal nations, 21 states, several members of Congress, and dozens of Native organizations, child welfare organizations, and other allies. We contend ICWA is constitutional. We received the quarterly report from Keweenaw Bay Ojibwa Community College and also their strategic plan as it relates to the Marquette round table discussion.

Our Regular Saturday Council meetings are now held quarterly. There were four Special Meetings during January with a Work Session on January 22. There were five meetings during February and five meetings during March and also a Work Session on March 26. The minutes are up to date and approved.

President Warren “Chris” Swartz, Jr., Treasure Doreen Blaker, and I were honored to attend a meeting with Congressman Jack Bergman and Congresswoman Stephanie Murphy from Orlando, Florida, on March 1, 2019, at the Bingo Hall. Our Natural Resources Department staff and others were also present. Later we brought them for a tour of the KBIC Health Systems. We discussed health care issues, opioid/addiction issues, jobs, clean air and water, and the protection of treaty rights. This meeting was part of the American Congressional Exchange (ACE) where members visit opposing party member’s areas.

For your information: New pocket size Tribal Constitutions with the Judicial Amendment are available at the Enrollment Office.

This report will be published in the KBIC “Wiikwedong Dazhi-Ojibwe” newsletter, and the approved minutes may also be found on the Keweenaw Bay Indian Community Website.

U.P. Food Summit

When: May 17, 2019, 9:00 a.m. - 1:00 p.m. CDT
Where: Bay College West, 2801 US-2, Iron Mountain, MI 49801

Join us on May 17, 2019, to learn key skills on how to take your food business to the next level. Learn from the experts on the regulatory, business, equipment, and retail implications of a commercial food business.

Food Business 101 - Is a food business right for you? Explore how to turn your concept into a successful business with information on business structures, financial planning, and pricing for profit. We'll examine who your target customer is and how to send marketing messages using your product labeling and packaging.

- Presenter: Sally Miller - NWTC Kitchen and Business Incubator
- Time: 9:00 - 9:50 a.m.

Food Safety - Food safety from the retail side is a very important aspect of your business. Maintaining a clean and sanitary environment is not only an expectation of your customers but is vital to selling a safe product to the public. This session will cover basic sanitation to keep in mind as you prepare your retail space.

- Presenter: Beth Wiatrovich - MSU Extension
- Time: 10:00 - 10:50 a.m.

Going Commercial - There are many regulatory entities within the food sector with overlapping jurisdictions and differing licensing requirements. Hear directly from an MDARD Food Inspector to understand the production requirements for your food product. Specific topics will include labeling laws, production facility options, and food establishment licensing. Plenty of time will be available for questions.

- Presenter: Angela Juhola - Michigan Department of Agriculture and Rural Development
- Time: 11:00 - 11:50 a.m.

Retail Ready - Consumers spend less time than you think considering buying your product. Learn how to compete in the crowded grocery store aisle through product differentiation, product placement, and in-store marketing tactics. We'll also discuss how to start and maintain retailer relationships. The logistics of self distribution will be covered and when to consider working with a distribution company.

- Presenter: Parker Jones - MSU Product Center Tim White, Pat's Foods, will also be available to answer questions.
- Time: 12:00 - 12:50 p.m.

Refreshments will be provided. Please register at http://events.arr.msu.edu/UPFoodSummit2019/ at least a week prior to the event.

Michigan State University is committed to providing equal opportunity for participation in all programs, services, and activities. Low or No-cost Breast and Cervical Cancer Screening Services Available for American Indian Women

Whether insured or not, the Breast and Cervical Cancer Control Navigation Program (BCCNP) within the Michigan Department of Health and Human Services will help women receive the care they need. This program supports women who live within or outside the purchased referred care service area of their tribal clinic.

The BCCNP program can arrange for eligible women to receive breast and cervical cancer screenings, follow-up care for an abnormal test result, and treatment if breast or cervical cancer is diagnosed. Eligible women must be between the ages of 21-64 with an income between 139 and 250 percent of the Federal Poverty Level. For women who are single/divorced or are widowed with no dependants, this means an annual income between $16,753 and $30,350. For a family of four, this means an annual income between $34,638 and $62,750.

- Uninsured women can enroll in the program and receive cancer screening services (mammograms and Pap tests) at no cost.
- Underinsured women (women with high deductibles) may receive screening and/or diagnostic services not paid by their insurers.
- Insured women can receive assistance by program navigators to receive screening diagnostic and/or treatment services.

Women, diagnosed with breast or cervical cancer, may also be eligible to receive treatment through the BCCNP Medicaid Treatment Act.

Call 1-844-I-GOT-SCR (446-8727) to find out if you are eligible to receive program services. Please leave your name, phone number, and county of residence when you call.

For more information, please visit http://health.michigan.gov/forwomen/breastcervicalcancer/.
PUBLIC ANNOUNCEMENT

Is your charitable organization planning on holding a raffle or selling raffle tickets on the L’Anse Indian Reservation?

Federal law, through the Indian Gaming Regulatory Act, granted Tribes exclusive right to regulate gaming activity on Indian lands. Even if you or the members of your organization are not tribal members, the Keweenaw Bay Indian Community Gaming Commission has the authority to regulate your raffle. It is unlawful to game without a license.

Please contact the KBIC Gaming Commission Office at (906) 353-4222 or stop by the office located at the Tribal Center for an application and a copy of the rules and regulations.

Application deadline for submission of ALL Class I Drawings is 30 days and Class II Raffles is 60 days prior to your event. License Fee will be waived when the application is received within this timeline.

Keweenaw Bay Tribal Police
Keweenaw Bay Indian Community
The Keweenaw Bay Tribal Police announce the utilization of new tools developed by the Bureau of Indian Affairs, Division of Drug Enforcement. These tools are for the public to report illegal drug activity occurring on Tribal lands.

Using the new Tip411 program and the new BIA Tips App, the public will now have the ability to text or send anonymous tips directly to the BIA Division of Drug Enforcement. Once a tip is received, the sender will be able to correspond directly with a BIA Drug Agent if they wish to provide more detailed information about illegal drug activity.

We encourage everyone to join us in fighting drug abuse in Indian Country and partnering with us to keep your tribal communities safe.

Many Keweenaw Bay Indian Community members traveled to Marquette, Michigan, on Saturday, March 30, 2019, to attend Northern Michigan University’s Native American Student Association Powwow. This annual event is held early spring and is a gathering place for communities to come together to socialize. The 26th Annual Learning To Walk Together Powwow was held at the Marquette National Guard Armory.

The event was well attended with five drums providing drumming and songs. Ice Wolf served as Host Drum with four invited drums joining them: Morning Thunder, Four Thunders, Sturgeon Bay, and Wigwam Express. Joe Awonohopay served as emcee and George Gauthier served as Arena Director. Grand Entry was held at 12 noon and 6 p.m. with a grand feast held during break, 4 p.m.

The event is organized by NMU Native American Student Association and made possible through a number of donations, one being the Keweenaw Bay Indian Community.

KBIC AIS Program Activities to Intensify in 2019

EDRR: KBIC AIS and Fisheries Staff have partnered since 2016 with the USFWS to conduct an Early Detection Rapid Response (EDRR) effort, monitoring for potential presence of newly introduced invasive/rare species of adult/juvenile fishes in the western and central Lake Superior region. Through the years, various gears and techniques have been utilized and modified, following guidance of the USFWS document Implementation Plan for the Early Detection of Non-native Fishes and Benthic Macroinvertebrates. Gear comparisons show that multiple sampling gear utilization characterizes a complex aquatic system more fully (versus what a single gear can accomplish, for example). The main gear uses currently include graded small mesh gillnets, shore parallel mini-lyke net arrays, strategic trawling, and electrofishing.

EDRR Summary 2016-18: A total of 180 sites were sampled in Keweenaw and Huron Bays by Early Detection for invasive species or rare species, 2016-18.
- A total of 8,773 individual fish caught.
- There were 38 observed species in sampling effort.
- Seven were non-native species detected; Alewife, Brown Trout, Rainbow Trout, Eurasian Ruffe, Three Spine Stickleback, Splake and Rainbow Smelt.

We continue to interpret all results of the study and what the implications are as we plan for the 2019 field season. The USFWS three-year commitment to this research has been achieved, and in 2019, KBIC will become the lead Agency conducting EDRR work in Keweenaw and Huron Bays, the Portage Waterway, and the Marquette Harbors Regions.

Sea Lamprey Control: The agreed upon and continued #1 AIS threat, Sea Lamprey are known to inflict more lethal damage to the Great Lakes Fishery than combined sport and commercial fishing extractions. In 2019, KBIC AIS and Fisheries Staff will assist USFWS in conducting larval Sea Lamprey control efforts on select streams. Careful and calculated larval lamprey treatments will occur in several areas rivers that are documented to be infested with lamprey at early life history stages. A selective chemical (lampricide) is typically applied in areas of infestation, and this method of control continues to be the most effective way to reduce population numbers. A tentative area treatment schedule in included for 2019 efforts.

USFWS Staff while working with KBIC-NRD to perform EDRR work in Keweenaw Bay, Lake Superior.

Performs duties in relation to GLIFWC’s Keepseagle Harvester/Producer Needs Assessment Project. This project will assess current food processing capacity (i.e. manoomin, maple syrup, wild rice, wild game, fish, berries, etc.), identify barriers to expanding processing capacity within reservation communities, statistically analyze survey information and prepare a written report. In addition, the Coordinator will establish and enforce contracts that will provide processing equipment to designated tribal members/entities in return for finishing manoomin to be distributed as per GLIFWC policies established by the Board of Commissioners. The Coordinator will also: 1) work with small business to manufacture threshing machines and provide community workshops on proper equipment operation; 2) food safety regulations; 3) packaging and labeling; and 4) marketing and sale of manoomin products.

Qualifications
Applicants must possess: B.A. in Business Administration or A.A. Degree and five years of work experience relevant in grant implementation, management, and reporting. In addition, applicants are required to demonstrate: 1) knowledge and work experience in wild rice processing, packaging, and marketing; 2) demonstrated project management abilities and strong oral and written communication skills; and 3) demonstrate technological proficiency with computer skills including work processing, spreadsheets, Acrobat Pro, and Outlook.

Applicants must possess a valid driver’s license, be insurable by GLIFWC, be able to obtain a U.S. Passport for travel to Canada, and be willing to travel throughout Michigan, Wisconsin, and Minnesota area.

Map of Keweenaw Bay and Huron Bay showing where boat electrofishing (white), lyke nets (blue), bottom trawls (red), and gillnets (yellow) have been deployed.

Adult Sea Lamprey Riverine Fyke Net, deployed to capture upstream migrating and spawning phase Sea Lamprey as they ascend rivers, build nests, spawn, and eventually die. The goal is to estimate total numbers of adults in target survey rivers, so total lamprey egg production potential can also be estimated, river to river.
DO YOU EVER HEAR YOUR CLIENTS SAY... THEIR PAYCHEKES ARE DOING THE DISAPPEARING ACT? OR THEY ARE FEELING UNDERWATER AND OVERWHELMED? THE FACT OF THE MATTER IS THAT DESPITE YOUR INCOME, EXPENSES, EDUCATION, OR EMPLOYMENT; EVERYONE DESERVES TO FEEL SECURE IN THEIR FINANCIAL COMPETENCY. THERE IS AN ALTERNATIVE TO HELP YOUR CLIENTS MAKE THEIR MONEY WORK FOR THEM. WITH THE YOUR MONEY YOUR GOALS TRAINING PROGRAM YOU CAN HELP YOUR CLIENTS (AND YOU!) GAIN FINANCIAL Empowerment AND SET THEMSELVES UP FOR FUTURE ECONOMIC STABILITY.

THE TOOLKIT, WAS DEVELOPED BY THE CONSUMER FINANCIAL PROTECTION BUREAU (CFPB) AND WILL BE OFFERED BY MICHIGAN STATE UNIVERSITY EXTENSION AS A TRAIN THE TRAINER SESSION. THE PROGRAM IS INTENDED TO ORIENT INDIVIDUALS WHO WORK IN THE SOCIAL SERVICES AREA WITH AN OVERVIEW OF THE TOOLKIT AND LEAVE YOU WITH THE KNOWLEDGE AND ABILITY TO SHARE THIS RESOURCE WITH CLIENTS IN YOUR COMMUNITIES. TOPICS INCLUDE FINANCIAL Empowerment, THE EMOTIONAL SIDE OF MANAGING YOUR MONEY, MAKING SMART MONEY DECISIONS, ESTABLISHING EMERGENCY FUNDS, PAYING BILLS, MONTHLY BUDGET MANAGEMENT (INCLUDING INCORPORATING INCOME SUPPORTS IN A BUDGET), CREDIT/DEBT, AND PREVENTING SCAMS. THE BEST PART ABOUT THIS PROGRAM — ITS FREE! HOW’S THAT FOR A FINANCIALLY SOUND DECISION?

The Houghton training workshop will be May 8, 2019. To register, visit https://events.anr.msu.edu/ YMYGHancock2019. Please direct questions to Beth Wairtvich at wairtvich@anr.msu.edu or (906) 302-3253.

We had a strong March 2019! I would like to offer the following updates:

- With John Lassila coming on board as our new pharmacist, we are now expanding our pharmacy hours to include Saturday hours starting May 11, 2019. The pharmacy will operate from 10 a.m. to 2 p.m. on Saturdays. Please call the pharmacy (906-353-4555) in advance two to three days if you are planning to pick up a refill on Saturday. Also, if you are an active patient and you go to walk-in on Saturday, your script can be filled at the pharmacy.

Our hours of service are as follows:

<table>

- We are working to implement Medication Therapy Management (MTM) services in the pharmacy. MTM services are face-to-face consultations provided by pharmacists to optimize drug therapy and improve outcomes for patients. Patients are eligible for MTM services if they are taking a medication to treat or prevent one or more chronic conditions. MTM services include:
  - Monitoring and evaluating a patient’s response to drug therapy, including safety and effectiveness.
  - Performing a comprehensive medication review to identify, resolve, and prevent medication-related problems, including adverse drug events.
  - Documenting the care delivered by the pharmacist and communicating essential information to the primary care provider.
  - Referring the patient to the primary care provider if necessary.
  - Providing education and training designed to enhance patient understanding and appropriate use of medications.
  - Providing information, support services, resources to enhance adherence with the patient’s drug therapy regimens.
  - Providing an updated personal medication record and medication action plan for the patient.
  - Coordinating and integrating MTM services within the broader health care services being provided to the patient.

We will announce more details once we are further in the program planning process. I would anticipate a start in July 2019.

- The Telepsychiatry Clinic is continuing strong, with nearly 97.37% of patients reporting they would recommend telepsychiatry to another person. Please note, telepsychiatry services include psychiatry, psychology, and psychometric testing. Patients are scheduled either via a referral from one of the KBIK Health System providers or by calling (906) 353-4521.

- The New Traditional Medicine Clinic launched March 8th. The early results continue to be favorable with 100% of patients reporting they would recommend the Traditional Medicine Consultant to another person. This clinic is funded through the Tribal Opioid Response Grant. Additional clinic dates are as follows:
  - April 26th
  - May 10th and 24th
  - June 7th and 21st
  - July 12th and 26th
  - August 16th and 23rd
  - September 6th and 20th

If you are interested in scheduling an appointment, please call (906) 353-4521.

As always, please do not hesitate to reach out to me directly if you have questions at (906) 353-4553. I enjoy learning from your perspective and particularly value listening to concerns directly. I also wish to thank the staff at the KBIK Health System. Their contributions continue to assure our success.

Baraga County Communities That Care

Starting in January of 2019, the Baraga County Communities that Care (CTC) is proud to introduce the community to The SHOW! It is a new outreach campaign intended to encourage the people of Baraga County to not only recognize the impact that each and every person can make in their neighborhood, but to step up and make a difference. Any and all talents, gifts, or resources can be utilized through the CTC. All you have to do is SHOW IT! Are you an excellent note writer? SHOW IT! Do you enjoy interacting with the people of your community? SHOW IT! Do you have a desire to make a difference in someone else’s life? SHOW IT! It is that simple.

Want to see change in your community? It’s all about “The Show”!
SHOW up to volunteer!
SHOW how to get involved and be a part of the solution!
SHOW others how to do something new!
SHOW that you care!
SHOW your community the best version of yourself!
SHOW that you care!
SHOW our what you’re made of!

The ultimate goal of the CTC is to create a safer, more desirable community that will continue to support the healthy development of its youth now and into the future. This is a task that not only requires a great deal of time and patience, but the support of a community to achieve. That starts with you. Will you SHOW your pride? Will you SHOW your talents? Will you SHOW up to volunteer?

Community change is just a SHOW away! If you are interested in learning more about The SHOW, the Baraga County CTC, or how to join, please contact CTC Coordinator, Carrie Rich, at 906-201-4024 or at baragacountyctc@gmail.com. Thank you, and we hope to see you soon!
