FALLEN HEROES ESCORTED HOME

In the early morning hours on Saturday, August 28, 2016, our Beartown Firefighters were dispatched to a fire at Box Canyon in Utah. The three KBIC vehicles transporting the Beartown firefighters were traveling in a convoy, and in heavy traffic they became separated. One of these vehicles was involved in a tragic single-vehicle crash that occurred on I-35W in Blaine, Minnesota, which resulted in a roll-over. There were nine firefighters in the vehicle, two of whom were fatally injured. With great sadness, the community lost firefighters Alan (AJ) Swartz, age 25, and James (Jimmy) Shalifoe, Jr., age 23, from Baraga, Michigan. Vice President Jennifer Misegan said, “The Keweenaw Bay Indian Community is devastated, and our hearts go out to the families and those who are injured. There has been an outpouring of support, and we are very appreciative.”

Hospitalized for injuries were: Dave R. Varline, Tyler J. Tolonen, Shashaywin D. Sandman Shelltoe, Ross J. Jaukkuri, Gavin C. Loonsfoot, Joseph Jossens, and Michael A. Johnson. The driver, Michael Johnson, was released from the hospital and then incarcerated. Johnson was held in the Anoka County Jail on suspicion of criminal vehicular homicide (two counts). He has recently posted bail and is released waiting further criminal proceedings. The Minnesota State Patrol issued the following statement about the crash in its incident report. “The truck was Southbound on 35W near 95th Ave. The truck left the roadway for an unknown reason, struck the median cable barriers, and rolled.” The crash took place on divided blacktop roadway in dry conditions. The vehicle was severely damaged resulting with the box separating from the cab and chassis. The

Prosecutor’s statement for probable cause alleged that Johnson believed he fell asleep while driving. He admitted to the use of marijuana in the early hours of the day before and had used cocaine three days prior to the accident. Anoka County Attorney Tony Palumbo issued a statement indicating Johnson is charged with two counts of Criminal Vehicular Homicide—Operating of Motor Vehicle in Grossly Negligent Manner. Each count carries a 0-10 year felony. Johnson has an Initial Appearance Hearing scheduled on September 27, 2016. Initially, Johnson was denied a public defender as a result of the income he reported to the judge. He will be able to reapply for the public defender assistance.

On August 30, 2016, firefighters and law enforcement personnel from surrounding communities joined in a procession from the Thomas-Dougherty Funeral Home Many messages were sent to heaven to our fallen heroes, A.J. Swartz and Jimmy Shalifoe at the candle light vigil Friday evening, September 2, 2016.

Fallen Heroes Escorted Home continued:

in Minneapolis, Minnesota, to the Reid Funeral Service and Chapel in L’Anse, Michigan, to escort Alan (A.J) Swartz and James (Jimmy) Shelifoe, Jr., our fallen heroes home. Officers Tony Loonsfoot and Jake Misegan of the KBIC Tribal Police Department drove to Minneapolis the evening before to lead the procession. Communities throughout the route showed an overwhelming respect for the two young firefighters who lost their lives en-route to their dispatched duty. The procession grew in length, and at one time was nearly two miles long. Officer Loonsfoot said, “I would like to personally thank all the local agencies/departments along the route for making it possible for us to accomplish what we did for these two young men and their families. All of the support was amazing.”

As the procession came down M-38 and turned onto Superior Ave. in downtown Baraga, the street was lined with family, friends, and community members. The procession stopped mid-town, near the American Legion Post 444, to allow family and friends to pay their respects and to place items with the men; also one of the Community’s drums was present. Shelifoe’s and Swartz’s funerals were held August 31, and September 1, 2016.

In an attempt for some community closure with this tragic event, a candle-light vigil was held Friday, September 2, 2016, for A.J. and Jimmy with their family, friends, and community members. The vigil was held at the Sandpoint Campground, on the shores of Lake Superior in Baraga, where individuals spoke in remembrances of the two fallen heroes. Lanterns and balloons were released followed by a moment of silence. Lighting of candles took place to the song Amazing Grace. Woodland Drum was present for honor songs. A number of fund raising events have occurred throughout Baraga County to help raise financial support for the firefighters and their families who were affected by this tragic accident. A spaghetti dinner and auction were held at the L’Anse VFW on Monday, September 29, 2016, organized by Shayne Foucault, Erica Mukka, and David LeClaire. Foucault stated, “It was an overwhelming success with nearly 700 people in attendance.” The L’Anse, Baraga, Covington, Arvon, and Chassell Fire Departments held “Fill-the-boot” campaigns in a number of locations throughout the community. Fundraising event proceeds neared $20,000.00 with the Keweenaw Bay Indian Community Tribal Council overseeing the disbursements. ~ by Lauri Denomie, Editor

October is Breast Cancer Awareness Month

Did you know that one out of eight people will develop breast cancer in their lifetime? This is the second leading cause of death in women. Less than 1% of breast cancer will develop in males.

Signs and symptoms may include:
- A lump or thickening on or near the breast or in the underarm area
- Enlarged lymph nodes in the armpit
- Changes in size, shape, skin texture or color of the breast
- Skin redness, dimpling, or puckering
- Fluid, other than breast milk, from the nipple, especially if it's bloody
- Sclary, red or swollen skin on the breast, nipple or areola (dark area of skin that is around the nipple)
- Nipple pulling to one side or a change in direction

Women should perform a self breast-exam each month and any changes or abnormalities should be discussed with a doctor or physician.

A clinical breast exam is performed by a healthcare professional that is trained to recognize many different types of abnormalities and warning signs. This in-office exam will most likely be completed by your family physician or gynecologist during your annual exam.

Women 40 and older should have mammograms every one or two years. Women who are younger than 40 and have risk factors for breast cancer, like a close blood relative diagnosed with breast cancer, should ask their healthcare professional if mammograms are advisable.

Although you cannot prevent cancer, some habits that can help reduce your risk are: maintaining a healthy weight, staying physically active, eating fruits and vegetables, not smoking, and limiting alcohol consumption.

Early detection is the key! Make your appointment at KBIC Health System today!

Healthy Start - Family Spirit Parent Circles

Our Parent Circles, supported by the Tribal Home Visiting grant, are free and open to the public. We meet every second Monday of the month at local venues with different themes for activities, crafts, and projects. Don't worry about bringing snacks because we provide those, along with baby food. Parent Circles are casual and meant to provide a time for parents and/or guardians to relax, socialize, and spend time engaging with their children. Grandparents and other family members are encouraged to come, too.

We focus on ages 0-5 years, but siblings are welcome to join in. There are age-appropriate activities for all. Reading is very important to us, so we provide a book related to the theme for each family that registers.

I hope to see new and familiar faces this fall! October 10th we are decorating pumpkins, November 14th come tell us why you're thankful for your family, and December 12th will be snow fun.

Program registration is suggested to be sure that we have enough supplies. If you have questions, want to suggest future themes and activities, or would like to register please call 353-4521. Submitted by Kristine Maki, Family Health Educator

**KBIC Hires New Social Services Director**

Recently many faces have changed within the KBIC Tribal Social Services Department. KBIC recently hired KBIC Member Tyler Larson, who has joined the forces as the Tribal Social Services Director. Larson returns to KBIC after working the last three-and-a-half years with the State of Michigan’s Department of Human Services in the fields of CPS, Foster Care, and Juvenile Justice. Prior to that, he was employed with Tribal Court as a Probation Officer and has also held a number of other positions within KBIC.

After graduating from Calumet High School, Larson attended Northern Michigan University as a student athlete and obtained a Bachelor’s Degree in Criminal Justice.

Larson said, “I am looking forward to the challenge of my new position and am excited to work with the partners involved. There is a big task at hand within the Social Services field, and I am hoping to help provide effective services to our families. We have two other new employees as well. Holley Makela and Jacqui Gorczewicz have both been hired as Services Specialists within the department. They are currently attending the Child Welfare Training Institute and are scheduled to finish in mid-October.”

When not working, Larson enjoys spending his free time with his family. He and his wife, Carmen, have two daughters, Jaycee and Georgia, and are expecting another child shortly. Larson also is a basketball coach for the Baraga Elementary and Junior High programs. His other hobbies following Michigan football, camping, hunting, and power lifting.

You can reach Mr. Larson and other Tribal Social Services staff by calling (906) 353-4201. The newly hired Social Workers will be featured in an upcoming article when they return from training.

Even though our Summer Reading Program is over, things have still not slowed down at the Ojibwa Community Library. In fact, this fall, our Healthy Eating Group has restarted, we have a few announcements to share, and we've bought several new books in a variety of topics for our patrons to borrow and enjoy.

Throughout the summer and into this fall, the library has purchased books in health and wellness in addition to brand new titles in fiction and non-fiction. Here are just a few titles we’ve added:

- **Insidious: An FBI Thriller** by Catherine Coulter
- **The Black Widow** by Daniel Silva
- **The Apache Wars** by Paul Andrew Hutton
- **The Mayo Clinic Diet**

Additionally, Healthy Eating Group is back from summer break! We welcomed back Dale Schmeisser, R.D. in September as our Healthy Eating Guide, and we started with a session about making healthy desserts on September 22nd. Healthy Eating Group will continue throughout the fall and spring for a total of eight sessions before summer rolls around again. Please be on the lookout for Healthy Eating Group fliers around town, and for Facebook posts and events about the sessions on the Ojibwa Community Library’s Facebook Page.

The Library would also like to announce that we have access to Ancestry.com! Patrons who are looking to do basic genealogical research can now come to the library to view items such as birth, marriage, and death records, US censuses, newspaper articles, and much more through our Ancestry.com account. It is a free library service for patrons to use. To get started, stop by the circulation desk, and library staff can help you out!

Finally, we also want to remind families that the Ojibwa Community Library is still holding an ongoing reading challenge throughout the fall and into next summer! We are giving away free books to students in grades K-8 who return a completed reading challenge log to the library. If you are not sure if your child is still registered, or if they would like to register, please stop by the library.

**What is the Land Buy Back Program?**

The Secretary of the Interior established the Land Buy-Back Program for Tribal Nations (Buy-Back Program) to give individual landowners an opportunity to help address the problem of fractionation, as part of the Cobell Settlement. The Program has $1.9 billion available to purchase fractional interests in trust or restricted land from willing sellers at fair market value within a 10-year period, which ends in November 2022. Individuals who choose to sell their interests receive payments directly into their Individual Indian Money (IIM) accounts. Consolidated interests are then immediately restored to tribal trust ownership for use benefiting the reservation community and tribal members.

Landowners should contact the Trust Beneficiary Call Center at 1-888-678-6836 or visit their OST Office to update their contact information, and to provide any special instructions for payment, such as direct deposit. Changes should not be made on the offer package documents themselves, as this can delay or prevent processing. Landowners are encouraged to set up direct deposits, so payment is securely transferred to a bank account and available more quickly.
