1. Joe Derocha, Vice Chair of the Marquette County Board

Joe thanked the Council for past support and the Tribe’s commitment to the $40 million dollar development project at the Marquette Casino which the Marquette County Board is in favor.

Joe is seeking clarification on the scope of a project that was received by his Board from KBIC. (The project is for community housing and an application to put Snowfield Road Property (by old airport) land into trust). It was tabled at the Marquette County Board meeting in order to gather more information. Joe will work with Jason Ayres, Real Estate Officer for KBIC, on the intent of the project.

2. Derek Parker, owner of the largest medical marijuana facility in the Upper Peninsula

Derek was the first individual to apply for a commercial license in the U.P. President Swartz and Gary Loonsfoot, Jr. met with Derek at his ELF site facility in Negaunee to engage in discussion regarding opportunities for the Tribe. The Cannabis Committee plans to meet to further review a possible venture going forward.

KEWEENAW BAY INDIAN COMMUNITY
TRIBAL COUNCIL

Report from the Secretary to the Council/Community
April 6, 2019 Regular Tribal Council Meeting
ANIN! We honor the greatness in you
Remember: “Indian Country Counts”
“Our People, Our Nations, Our Future”

We continue to recognize the richness of Native American contributions, accomplishments, and sacrifices to the political, cultural, and economic life of Michigan and the United States.

We wish everyone a blessed Easter and Happy Spring Season!

Mino-Bimaadizin “Live Well”
Respectfully, Susan J. LaFernier

Our Regular Saturday Council meetings are now held quarterly. There were (4) Special Meetings during January with a Work Session on January 22. There were (5) during February and (5) during March 2019 and also a Work Session on March 26. The minutes are up to date and approved.

Chris, Doreen, and I were honored to attend a meeting with Congressman Jack Bergman and Congresswoman Stephanie Murphy from Orlando, Florida on March 1, 2019 at the Bingo Hall. Our Natural Resources Department staff and others were also present and later we brought them for a tour of the KBIC Health Systems. We discussed health care issues, opioid/addiction issues, job, clean air and water and the protection of treaty rights. This meeting was part of the American Congressional Exchange (ACE) where members visit opposing party member’s areas.

For your information: there are new pocket size Tribal Constitutions with the Judicial amendment available at the Enrollment Office.

This report will be published in the KBIC “Wiikwedong Dazhi-Ojibwa” newsletter and the Keweenaw Bay Indian Community Website.

RE: Quarterly Report

DATE: April 6, 2019

1. MISSION STATEMENT: To provide exceptional services for our membership; a safe, positive work environment for employees and sustained economic prosperity, while protecting our sovereignty and preserving our culture and natural resources for future generations.

VISION STATEMENT: A Tribe that preserves the Anishinaabe culture, advances economic diversity, provides opportunities to enhance independence, and promotes the health and well-being of our Community.

2. Updates: Over the last quarter, I have updated the Personnel policy to reflect all the changes the Tribal Council had approved through a series of Council work sessions that occurred throughout 2018 and up to February 5, 2019. In addition, the Youth Policy was also updated and the appeal policy was worked on with the Appeals officer. The essential employee list was compiled for those required to work on snow days. The Oshki Maaji (New Beginning) or Halfway House project has been moving forward with a completion date still in June. As of yesterday, the building has all drywall in place and the countertops have been chosen for the reception area and kitchen and laundry rooms. A cell phone quote was obtained to provide services for the upcoming two years. Verizon was chosen.

3. Meetings/Conferences: Over the last quarter, there were two department head meetings that were held. These have been set to occur on the last Tuesday of each month at 1 pm. The goal of these department meetings will be to review the strategic plan, provide departments with updates on policy and give short training and communication and allow departments to provide short updates on what is occurring within their departments. At the last meeting, the strategic plan developed in 2017 and the Council strategic plan was provided with the goal to review strengths and weaknesses and identify any further weaknesses and set up action plans to move forward to address those weaknesses. There were several department short updates at the two meetings that were held, including the extended hours at the Health department, progress of the Halfway house project, the non-motorized trail project movement, the General Welfare Exclusion Act Form, new process for Tier 1 forms, NRD and CARE discussion about 4 R’s (Reduce, Reuse, Recycle, and Respect), and BIA Drug Tip line. Discussed with employees training available through KBOCC and asked for other trainings they would like. Also discussed the idea of setting a core of training that would be required to be taken: Tribal Government, Constitution, and language. I briefly attended Water Day held in March.

4. Employee Changes: There are no direct reporting changes in the last quarter. The government currently has 305 employees, with 221 Native American. There were seven reclassifications completed this past quarter with two not resulting in a grade change and the rest resulting in a change of grade and or title. There has also been

initial work done on new position descriptions and the revision of current technician position to allow for a Tiered grade for the position to progress with certifications/trainings or education. Employee changes within the government are provided on a weekly basis.

5. **Statistical Data/Case Load Information:** Personnel actions, budgets (new and modifications), contracts, policy interpretation/draft revisions, and supervision of department was part of my offices duties over the past quarter.

6. **Financial Update:** Financial payments from Indian Health Service and the Bureau of Indian Affairs have been received that support our Health, Substance Abuse, Natural Resources, Social Services, Education, Community Assistance Programs, Court, and Police departments. Travel/training for employees continues to be held off on unless it is grant funded.
