~ Approved 10/24/2013 Tribal Council
As a part of a SEMA grant and sponsored by the Truth Initiative and Legacy, in Washington D.C., KBIC was selected for the MTV Watch Party. The event was held on August 30, 2015, where we had a fun turn-out; 53 well behaved, polite youth, and parents attended.

The SEMA Grant, through inter-tribal Council (ITC), represents Strengthening and Educating our Michigan Anishinabe Youth. Part of this initiative is to promote Traditional Use of Tobacco and encourage youth to not start smoking commercial tobacco. Youth in attendance ranged between 10-18 years old. The MTV broadcast was projected on the wall and we thank Micah Petoskey of the Tribe’s IT Department for an awesome job with the media display. Youth listened to a message by Carole LaPorte, Health Director, to not start smoking commercial tobacco when young and of the health risks of commercial tobacco. Waba Alakayak, Youth Program Director, had the pleasure of distributing the prizes during the drawing and encouraged youth to avoid commercial tobacco and to stay healthy and alive. Great prizes were won! Treyson Dunleavy won a kayak and equipment; Opal Ellisworth won a girl’s bike; Cara Connor won a bike; Nanthin Aphonshopay and Takoda Dunleavy won Dunham gift certificates; and 21 others won backpacks for school.

We appreciated the assistance of Angie Shellford for signing in participants at registration. Music was provided by Jess Forcia of DJ Express, who was the inspiration for lip syncing and dancing. Youth filled out a questionnaire about commercial tobacco and made pledges to not start smoking. Most of them know smoking commercial tobacco is bad for their health.

Youth also signed a contract that is promoted by SEMA, To Be an Original not to be a Replacement for the tobacco companies. Participants also enjoyed snacks consisting of Subway sandwiches and chips.

Truth Initiative and Legacy, Washington D.C., sponsored the event to launch a commercial making this generation the first to be Smoke Free. Sheila Ekdahl, Lead Youth Assistant, and her daughters, Dhanya and Breyelle, were at the gym early Sunday morning setting up tables and decorating. Waba Alakayak, Youth Program Director, and her staff provided support, assistance, facilitated the use of the gym, promoted participation through social media, and posted the pledges not to smoke on the board at the Youth Center. Chi-Migwech to all who assisted and to all of youth who participated.

2nd ANNUAL OUT OF DARKNESS WALK — TEAM SEPPY PARTICIPATES

The 2nd Out of Darkness Walk was organized by members of the Baraga County Memorial Hospital with support from very charitable sponsors within our community.

The American Foundation for Suicide Prevention (AFSP) is the leader in the fight against suicide. AFSP funds research, creates educational programs, is an advocate for public policy, and provides support for survivors of suicide loss. This organization was founded in New York and has 75 chapters.

Why do we walk?

Every year suicide claims more lives than war, murder, and natural disasters combined; yet suicide prevention doesn’t get anywhere near the funding given to the other causes of death. It’s up to walkers to make a difference. There are some 200,000 walkers in 350 cities across the country.

When a loved one is lost to suicide, there are survivors, and those survivors of suicide need help to deal with the loss. Counseling is needed in the aftermath of suicide for the survivors, so they can talk about it and cope with it. Seeking professional help and taking greater control of the situation can help curb the loss. One can seek help and utilize self care techniques. This means: hobbies, exercise, and most importantly prayer by seeking out clergy to talk about it.

One participant said, “Some years ago, I met a parent who lost his son, and he spoke to me about it. He told me that every year on the day of this anniversary, his family would all write notes to express their feelings, place their notes into balloons, and send the balloons into the heavens. I thought this was a wonderful idea. Since then I do the very exact thing that this person confided to me when he took the time to talk and share with me.”

The 2nd Out of the Darkness Walk is in support of the lost ones and the survivors of suicide. These community walks are proof that when people work together, they can make changes within the community. The walkers raise awareness for this important cause, and they raise the resources needed to carry out that mission.

ARTICLE IX – JUDICIAL BRANCH continues:

Upon death, removal, or resignation of a Justice, the next Justice appointed to the Appellate Court by the President and approved by the Tribal Council will serve out the remainder of the term of the Justice.

d. A Chief Justice will be selected by majority vote of the Justices for a one year term. In the event of a tie, the Justices will vote again. In the event of a second tie, the Tribal Council will select the Chief Justice by majority vote.

e. In the event that the Appellate Court notifies the President that a Justice is not able to participate in a decision on any particular case or cases on appeal due to illness, temporary disability or disqualification, the President will appoint subject to the approval of the Tribal Council, a person qualified to serve as a Justice to the Appellate Court to serve as a substitute Justice of the Appellate Court for the purposes of hearing such cases as may be necessary due to such illness, temporary disability or disqualification.

Section 14.

The Tribal Council will have the power and responsibility to establish reasonable levels of compensation for all Judges and Justices. The amount of which will not be reduced during such person’s term of office.

The 2015 Culture Camp was a huge success thanks to all of the staff and children who were a part of it! The KBIC Youth department went to Camp Nesbit the week of August 10-14, 2015, with 45 children and 17 staff who broke into six clans (doodems). We did a myriad of cultural activities such as: arts and crafts with Steven Perry who was assisted by Cassie Brown and Christine Edwards; survival programs with Joe Poinci of the US Forest Service; high and low ropes with Cassie Brown; canoe safety with GLIFWC; and traditional archery instruction with Straight Line Archery of Ishpeming. In addition, we played warrior games as a whole camp every night and had fires and drumming with Jim Williams and family. Dan Connor and Raistlin Awonohopay helped the children on the drum. We also went swimming every afternoon, hiked along the lake, and ate amazing food! A huge Chi Miigwech to Colin Van for preparing delicious meals and providing amazing snacks every day!

On Thursday, August 13, we also had the remarkable opportunity to have Dr. Martin Reinhardt from Northern Michigan University come and instruct the children on wild edibles, what to eat and drink from the forest, and how to cook it. The Natural Resources Department was on hand helping the children with the preparation. Jerry Jondreau from the KBIC Forestry Department came and walked in the forest teaching them about our traditional ways and how to protect our resources. Every morning we started with an opening ceremony concerning the seven grandfather teachings and teaching the children about respect, truth, humility, and generosity. Steven Perry spoke in Ojibwe along with Cassie Brown who has a degree in Native American studies. Thank you to Daryl Kingbird for being on hand at the opening ceremony.

We are very concerned with the violence that continues in our communities and our homes. We want the domestic violence, sexual abuse, incest, and violence perpetrated against our women and children to stop.

We, as grandmothers, mothers, aunts, sisters, wives, and daughters are saying, "NO MORE!!" There can be no future for our children as long as this continues. We are saying we can no longer stand by in silence and watch this happen to the women and children in our communities. We must stand up for our women and children and be their voice. We are inviting all grandmothers, leadership, colleagues, and community members to walk with us and show our women and children that we honor them as sacred gifts and that we will protect them.

We have historically been the nurturers and caregivers of our babies. We, as women, have become victims. We have watched our generations of children become victims. Our men, themselves, have been victims, and in turn many of our men and women have become victimizers. Enough!! We are here to say that despite our damage and painful history, our hearts are not on the ground, our nations are not conquered, and we don't want to see the members of our community hurt anymore!

To also recognize the sacredness of our women and children, the calling of Grandmothers is to come forward and reclaim their role. We invite others to join us as a symbol to provide a message of hope for our women, children, and the entire community. We also invite our cultural advisors and entire community. We also invite our Tribal Leaders to share our vision and stand together on that day to honor all women and children.

While we respect our men, our community, and leaders, we recognize that the time has come for the Grandmothers to step forward and take the lead for our children. We invite you to walk with us to demonstrate your support in honoring and protecting the women and children as the first step in a journey towards a brighter future.
