

**The week of Oct. 21st  
is  
Radon Action Week!!**

**FREE TEST KITS!**

- ◆ Radon is a naturally occurring, odorless, colorless gas
- ◆ Radon is the 2nd leading cause of lung cancer
- ◆ Nearly 1 of every 8 homes in Michigan has elevated levels of radon

**Governor Granholm Has Declared the Week of October 21st as Michigan Radon Action Week!!!**

Testing is the only way to know if your home has elevated levels of radon gas. The KBIC Natural Resources Department is offering **free**, easy-to-use test kits to KBIC Tribal Members. For more information, contact Char Beesley at 906.524.5757. ext 14.

**Test kits are available for pick-up at the OHA Baraga, Zeba, Marquette Offices, KBIC Tribal Center, or KBIC Fish Hatchery (Pequaming), while supplies last!!**
