- Maintains strict confidentiality in accordance with the standards of Indian Health Services; National Association of Social Workers; and the Health Insurance Portability and Accountability Act.
- Knowledge and experience working with the Native American culture and lifeways preferred.
- Must be able to obtain a satisfactory clearance under the Indian Child Protection and Family Violence Prevention Act Background Investigations Policy.
- Employment is contingent upon the satisfactory result of a Security Background Check, pre-employment drug testing and a pre-employment physical.

INDIAN PREFERENCE:

Preference will be given to qualified individuals of American Indian descent.

VETERAN PREFERENCE:

Preference will also be given to qualified Veterans (need DD214).

DUTIES AND RESPONSIBILITIES:

- 1. The incumbent is responsible for performing advanced prophylactic and preventative dental procedures in the treatment of patients with related medical and dental problems. Completes preliminary dental examinations on new dental service patients.
- 2. Reviews patient's medical and dental history for evidence of past and present conditions such as medical illnesses and use of drugs which may complicate or alter dental hygiene treatment.
- 3. Examines the head, neck and oral cavity for evidence of disease
- 4. Expose, process and interpret routine x-rays to identify tooth structures, calculus, and abnormalities such as cavities, traumatic occlusion and suspicious lesions.
- 5. Prepares and documents dental hygiene treatment plans for the patient including an assessment, type of oral hygiene treatment required, and the sequence of appointments needed to complete treatment.
- 6. Performs a complete oral prophylaxis on ambulatory and non-ambulatory patients

- 7. Provides non-surgical periodontal therapy by performing deep subgingival scaling, root planing and curettage utilizing adequate pain control followed up with individualized periodontal maintenance reappointment schedule.
- 8. Polishes the coronal portion of the teeth, applies fluorides for hypersensitivity and caries prevention.
- 9. Provides patient education in oral hygiene techniques and self-care programs to prevent disease.
- 10. Provide nutritional counseling.
- 11. Apply dental sealants
- 12. Manage difficult or emotional customer situations
- 13. Maintain an active patient recall system to include follow up to check if patients have completed restorative treatment.
- 14. Take impressions for study models and Mouth guards and fabricate mouth guards.
- 15. Utilize universal precautions and practice infection control protocols.
- 16. Maintain OSHA records to include current MSDS.
- 17. Maintain a working knowledge of the dental aspect of RPMS
- 18. Earn required continuing education credits to maintain Michigan licensure.
- 19. Records oral conditions of the teeth and surrounding tissues, progress and therapy notes, appointments, and the number of patients treated and type of treatment administered
- 20. Provide oral screenings for Head Start students.
- 21. Other duties as assigned by supervisor.

BASIC REQUIREMENTS:

Performing oral prophylaxis in cases of acute gingivitis and periodontal diseases requiring the use of a variety of scalers and ultrasound equipment; performing deep scaling, root planning, and subgingival curettage; taking intraoral radiographs and impressions; placing temporary fillings, placing and removing rubber dams; planning dental hygiene treatment and series of appointments needed to complete treatment; providing individual oral hygiene instructions to patients.

SPECIALIZED EXPERIENCE:

Experience in dental hygiene or in a directly related kind of work which has demonstrated that the applicant possesses the knowledge, skills, and abilities to perform fully the work of the position to be filled. Examples of work which are considered specialized experience include:

- Preparing and conducting educational lectures and demonstrations on dental hygiene.
- 2. Planning and developing public health type programs of broad scope, e.g., for varying age groups and type of audiences.
- 3. Other experience in performing the duties of a community health dental hygienist as described in the "Duties and Responsibilities" on previous page.

This position announcement summary is intended to indicate the kinds of tasks which will be required of this position and shall not be construed as declaring what the specific duties and responsibilities of the position will be. It is not intended to limit or modify the right of the supervisor to assign, direct and control the work of this position, nor to exclude other similar duties not mentioned. The use of a particular expression or illustration describing duties shall not be held to exclude other duties not mentioned that are of similar kind or level difficulty.

Distribution Date: September 16, 2025

Closing Date: October 1, 2025 or until filled
